1. Claims 1, 3, 5-18 and 20-23 are allowed.
2. The following is an examiner's statement of reasons for allowance: with respect to independent claims 1, 18 and 20 of the instant invention is directed to a system for providing interactive program guide (IPG); and a method for providing interactive program guide (IPG) from a transmission source to a plurality of terminals. The most relevant prior art of record, **Eyer et al (6,401,242)** disclose a method and apparatus for designating a preferred source to avoid duplicative programming services. **Hendricks et al (6,463,585)** disclose targeting ads using television delivery system and monitoring resources usage and availability and dynamically generates customizes menus on the fly based on usage parameters. **Robinett et al (6,831,892)** disclose bandwidth optimization of video program bearing transport streams. **Mao et al (6,459,427)** disclose apparatus and method for web-casting over digital broadcasting TV network. **Zhang et al (6,751,259)** disclose system and method for transcoding multiple channels of compressed video streams using a data unit. However, neither **Jeong, Kim, Malpianano, Odenwalder nor Sinha** and any of the cited references teach or suggest alone or in combination the feature of "...the bandwidth manager, in response to a demand received from a node of the distribution system, obtains information regarding where sufficient bandwidth and PIDs are available in the one or more transport streams being transmitted to the distribution node to service the demand and communicates the obtained information to the session manager for servicing the

demand, wherein the session manager controls the at least one transport stream generator dynamically adjust the number of transport streams generated based on the obtained information received from the bandwidth manager.” as similarly recited in combination with other features with respect to independent claims 1, 18 and 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Conclusion
